

How to take advantage of the Home Reno Rebate:

- 1 Call** a participating certified energy advisor before starting your renovations.
- 2 Complete** your pre-renovation energy assessment.
- 3 Review** your assessment and renovation options with your energy advisor.
- 4 Complete** at least two of the eligible renovations with a reputable contractor.*
- 5 Call** your advisor to complete your post-renovation assessment.

Your advisor will collect and submit all the necessary paperwork to Union Gas.

You will get your rebate cheque within 60 days of submission.

*We recommend that you get quotes from at least three reputable contractors.

MAKE YOUR HOUSE SNUG AND SAVE!

With the Home Reno Rebate, energy-saving home improvements can help you save 3 ways:

- 1 SAVE MONEY NOW.**
Improve the energy efficiency of your home and get up to **\$2,500** of your renovation costs back.
- 2 SAVE MONEY LATER.**
Increased energy efficiency will decrease your energy bill by up to **20% every year.**
- 3 INCREASE THE VALUE OF YOUR HOME.**
An energy-efficient home is more attractive to future buyers.

You qualify if you:

- have an active Union Gas account
- have a natural gas furnace/boiler
- own a detached or semi-detached home
- live in Central or Southwestern Ontario

And you must:

- do an energy assessment both before and after your renovation
- complete at least two eligible renovations,

Maximum **\$5000** rebate includes up to \$500 for both energy assessments.
You pay the HST on the cost of the assessments.

Window/Door/Skylight⁶

\$80	for each window, door or skylight replaced with ENERGY STAR-qualified model
------	-----------------------------------------------------------------------------

(1) The rebate is prorated based on the percentage of wall area insulated and does not include walls between individual units. For a semi-detached, rebates are 75% of the amounts shown.
 (2) When both a basement and crawl space are present, all applicable grants are pro-rated to a maximum of \$1,000 based on the total wall area.
 (3) Can qualify for either crawl space wall or floor above crawl space rebate.
 (4) 100% ceiling coverage required upon completion. Maximum \$500 rebate for combined roof/ceiling.
 (5) Maximum one water heater rebate per home.
 (6) \$40 rebate per rough opening. Bay window considered one rough opening.
